Uniting Aboriginal and Islander Christian Congress (Congress) WA Regional Committee Chairperson, Des Lawson, acknowledged that we met on Noongar Country. Joy Emmeluth read 1 Peter 3:13-22. Rev Ivan Clark highlighted 1 Peter 3:15-16, shared part of his story and challenged members to reflect on their stories and how they might give an account for the faith they have.

## **INSTALLATION - REV LORRAINE STOKES – CHAIRPERSON OF THE PRESBYTERY (WA)**

Rev Dr Ian Tozer presented Rev Lorraine Stokes for installation as the Chairperson of the Presbytery of Western Australia (WA). He spoke of the formation of the Presbytery (WA) and of Rev Lorraine Stokes' ministry since her youth and her journey toward ordination in 2002. He noted her placements which have included extensive engagement in rural and regional ministry in Western Australia. Rev Stokes is currently a minister at Willetton and was appointed Chairperson-elect of the Presbytery of Western Australia in November 2016.

The installation as Chair of the Presbytery of Western Australia was conducted by Rev Steve Francis, outgoing Chair of the Presbytery of WA.

Rev Lorraine Stokes mentioned that many may not be familiar with a Presbytery that was not also a Synod. She noted the learning curve ahead for both councils of the church, emphasising the relationship-centred focus of a Presbytery.

Rev Stokes requested all to stay open to the inspiration of God, to really listen to each other's stories, to support, encourage and inspire each other to be the people of God in this place.

## **INTRODUCTION TO THE 40<sup>TH</sup> ANNIVERSARY OF THE UNITING CHURCH –**

### **FIRST STORY – Rev Geoff Blyth**

The third Moderator of the Synod of Western Australia, Rev Geoff Blyth, addressed two key questions: "Why Union Happened and What it meant for people to come in to the Uniting Church." In referring to the High Priestly Prayer, part of Jesus' farewell to his remaining eleven disciples in John 17: 1-26, Rev Blyth spoke about the union as an act of obedience to the call to unity made by Jesus and the Holy Spirit moving among the people at the time. The coming together of the Methodist, Presbyterian and Congregational churches as one promoted a sense of integrity through unity and a steering away from the sin that comes from division. It was a time of active belonging, engagement and growing a love for one another through getting to know one another.

## **REPORT FROM REV STEVE FRANCIS, OUTGOING CHAIRPERSON OF PRESBYTERY**

Rev Francis reflected on his two and half years as Chairperson of the Presbytery. He thanked the Presbytery for the great privilege it had been and spoke of the laughter, the joy and ultimately the great blessings he had experienced. He spoke of the missional redemptive potential God has for us; that while affirming what had been good, it was also necessary to look closely at what had not gone well. The Presbytery recorded with acclamation its appreciation for Rev Francis' service.

### **PRESBYTERY REPORTS**

In accordance with Resolution 5/2016-17 the Presbytery received and discussed the reports separately (Attachment 2).

#### **1. The Secretary of the Presbytery of Western Australia**

##### ***RESOLUTION 2/2017-18***

*The Presbytery resolved by consensus to receive the Secretary of the Presbytery (WA) Report.*

Rev Steve Francis took the Chair while Rev Lorraine Stokes presented a Report on First Third ministry.

#### **2. First Third ministry – Rev Lorraine Stokes**

Rev Stokes reported the timeline, rationale and decisions made by the Presbytery Standing Committee (PSC), concerning the placement of Rev Brenton Prigge, the South West First Third Specialist. She concluded that many relevant factors, the needs of the work of First Third and those of Rev Prigge's family had not been made available to the PSC at the time of making its original decision to conclude the placement. Rev Prigge and related bodies had not been engaged in discussion about his possible termination. As a result, the PSC rescinded all proposals surrounding Rev Prigge's termination in March 2017 and it was advised that he would remain in placement until, at least, 30 November 2017 when the new model for First Third would be presented to Presbytery.

The PSC had, as a result of this case, proposed an amendment to the Rules which will allow it to see the Minutes of each of its committees so that the PSC is more fully informed.

The General Secretary had also given a verbal undertaking that a consultant would be paid to oversee the work of creating a new First Third model.

##### ***RESOLUTION 3/2017-18***

*The Presbytery resolved by consensus to receive the Chairperson's report on the South West First Third placement.*

**3. Pastoral Relations Committee (PRC) – Rev Trevor Waters and Rev Mark Illingworth**

The following corrections were made to the report:

- 2.1 Rev Karama Ioapo is in placement.
- 2.2 Rev Brian Thorpe is not retiring on 15 August 2017.
- 3.2 Rev Narelle Collas is at Carramar not Beldon

The committee formally acknowledged and thanked Rev John Barendrecht for his valued contribution and work over the years and all the committee members for the immensely complex work they had undertaken.

***RESOLUTION 4/2017-18***

*The Presbytery resolved by consensus to receive the Pastoral Relations Committee Report.*

**4. Candidates for Ministries Committee (CMC) – Rev Anne McAndrew**

***RESOLUTION 5/2017-18***

*The Presbytery resolved by consensus to receive the Candidates for Ministries Committee Report.*

**PROPOSAL 2, AMENDMENT BY ADDITION and AMENDED PROPOSAL – PRESBYTERY PROPERTY COMMITTEE (PPC)**

Rev Mark Illingworth, a member of the Presbytery Property Committee and the Strategy and Mission Planning Committee, outlined the reasons behind the proposed role and function of the Presbytery Property Committee. It was acknowledged that, at the time of separation between the Presbytery and Synod, the processes to manage Presbytery property responsibilities were only partly setup. Additionally, the Presbytery Property Committee's powers, under the current Rules (P3.4), were limited. Extended discussion on the comprehensive and thorough processes adhered to by all levels and bodies dealing with Uniting Church property were explained. The Committee recommended the amended proposal 2 to the Presbytery.

***RESOLUTION 6/2017-18***

*The Presbytery resolved by consensus to:*

1. *resume all of its powers regarding Property currently referred to the Synod, noting that this resumption of powers will, in terms of Paragraph 70 of the Constitution and Rule P1.2.4 (Consultation with bodies affected), first require consultation with and the consent of the Synod (and a change to the By-Laws of the Resources Commission), and requests the Synod Standing Committee to consider this as an urgent or emergent situation in terms of By-Law S1.2.5;*
2. *note that the Synod Standing Committee has appointed a Working Group consisting of the General Secretary, Chair of Presbytery, a member of the Presbytery Property Committee and the Chair of the Strategy and Mission Planning Committee to consider the missional implications of all properties, and requests this Working Group to consult also with the Presbytery Standing Committee, and the Resources Commission;*
3. *propose to the Synod, through the Church Law Committee, that the Chair of the Presbytery Property Committee be a member of the Resources Commission.*

## **PROPOSAL 4 – ST AUGUSTINE UNITING CHURCH CONGREGATION**

The repeated phrase ‘on investments’ was deleted from the second line of the proposal. After extended discussion, Rev David de Kock, General Secretary of the Synod, agreed to ask the Resources Board to investigate further. The Presbytery also noted an invitation from David Gray to offer additional assistance. The proposal’s request to ‘obtain’ a higher return on investments was replaced with the word ‘investigate.’

### **RESOLUTION 9/2017-18**

*The Presbytery resolved by consensus that the Resources Board be requested to investigate a higher return on investments for Congregations when they have fixed deposits in the Uniting Church Investment Fund.*

## **PRESBYTERY REPORTS CONTINUED**

## **THE 40<sup>TH</sup> ANNIVERSARY OF THE UNITING CHURCH - SECOND STORY – ALISON XAMON**

Alison Xamon, a member of Victoria Park and Districts Star Street Uniting Church, reflected on her experience of being a very excited eight year old witnessing the birth of a new church in June of 1977. She remembered the great joy, colour and cause for celebration that the creation of the Uniting Church generated. In referencing Rev Dr John Squires’ publication, ‘The DNA of the UCA,’ Alison spoke of how much the Uniting Church was part of her DNA; how it had informed who she was, what she stood for and why that was important. She concluded that she believed the Uniting Church to be more relevant than ever, in a world hungry for a church that demonstrated compassion, acceptance and courage; a church that embraced all people. She identified the Uniting Church as one truly driven by the love of Jesus Christ.

## **THE 40<sup>TH</sup> ANNIVERSARY OF THE UNITING CHURCH - THIRD STORY - HANAMOA VAITOGI**

Mrs Vaitogi, a member of the Perth Samoan Uniting Church, shared the experience of her community transitioning from an identity founded in the Methodist Church of Samoa to one associated with the Uniting Church. They greatly loved and valued the connection with their mother church and were unsure if they would find that same level of connection and love with another church. Over time they came to realise that it was not the name of the church that was important but bearing the name of Jesus Christ as one people. They expressed a deep appreciation and gratitude to Rev Dr Ian Tozer and Rev Bev Fabb for the time they spent with them, sharing what it meant to be part of the Uniting Church. Mrs Vaitogi, on behalf of the Perth Samoan Uniting Church, also thanked the Moderator, Rev Steve Francis, Rev David Tressler and the St Martin's Forrestfield Uniting Church community for welcoming them, valuing and appreciating what they brought to the Uniting Church.

### **WHY PRESBYTERY?**

The members broke down in to a number of small table groups to discuss three questions associated with the topic, Why Presbytery?

1. What excites you about your congregational life at the moment?
2. What challenges do you face as a congregation?
3. How can we, as a Presbytery, encourage one another, bear one another's burdens, grow in our faith and urge one another to persist in responding to Christ's call to each one of us?

*Rev Steve Francis had served as Chairperson of the Presbytery of Western Australia since September, 2014. During that time Steve had combined his roles of Moderator and Chairperson of Presbytery and had visited, led worship and preached in many congregations across the Presbytery as well as fulfilling with grace all of the responsibilities that come with the office of chairperson. He had done so enthusiastically and with great dedication as he had sought to live out the theme of his Moderatorial term: 'Towards healing and wholeness – through faith, hope and love'. The Presbytery recorded its most sincere appreciation for all that Steve has contributed in the role as an expression of his calling as a Minister of the Word in the Uniting Church.*
3. *Records its appreciation for the work of John Talbert as Chair of the Congregational Community Services Committee:*
