

To All Members of Synod

Dear All

THINKING OF SOME ADVENTUROUS IDEAS

In planning for the Synod Meeting in September, the Business Committee has felt that we should involve the members in thinking about some adventurous ideas for the Uniting Church in Western Australia.

So What do you think?

What adventurous ways can we move on with Christ and the Mission of God in the next few years?

What exciting thought has been buried in your heart for a while and you have been waiting for the time to let it out?

What is the Holy Spirit saying to you and the Church?

What idea have you had which you thought might be too risky to speak out loud?

This is your opportunity

Submit your ideas as soon as you can – email justine.woodward@wa.uca.org.au, by letter, by hand, in writing, PowerPoint, video clip or any other media.

Six of the most interesting ideas will be selected and you will be invited to present your adventurous idea to the Synod on Saturday evening. The Moderator, Rev Steve Francis will MC the session.

Apart from getting some “out-of-the-box” ideas, it promises to be a really fun session as we examine the risky and exciting issues facing the Church at this time.

Living the adventure with Jesus as we share life together in the Uniting Church.

God bless and give it your best thought.

David de Kock

GENERAL SECRETARY
