

PROPOSAL II

PRESBYTERY STANDING COMMITTEE

That the Synod:

1. acknowledges that the Presbytery or its Standing committee has the authority to determine its own staffing configuration, including termination, creation and re-shaping of current positions, provided that they do not exceed the total budget allocated to the Presbytery; and
2. agrees to enter into negotiation with the General Secretary to change his Position Description to make it clear that his role as CEO of the Uniting no longer involves direct line management of Presbytery staff.

Mover: Rev John McKane

Seconder: Stephen van Schalkwyk
