I. STATE UAICC WA YOUTH COMMITTEE:

It was endorsed on Thursday 9th May 2019 by the UAICC WA Regional Committee to form the State UAICC WA Youth Committee with the oversight of the UAICC WA Regional Committee.

1. Waroona and Maaman 'O' Miya Congregation's to form their local Youth Group within the Congregation
2. The Congregational Committee Members then appoint 4-6 Youth from the Youth Group to be a part of the State UAICC WA Youth Committee.
3. The State UAICC WA Youth Committee to be overseen and guided by the UAICC WA Regional Committee

2. WAROONA CONGREGATION

People shared the stories of the importance of the Church in Waroona and the ministry it holds, the impact that people had in order to keep the Church opened and to continue the ongoing ministry.

To see the prayers being answered has been a Blessing to many and the growth in new Members at the Congregation who travel a fair distance to be there.

The Midweek meetings have given that opportunity in the Community to come and share the word of God and to build their faith including Outreach not only in Waroona but surrounding areas.

There are matters that are needed to be tended to such as maintenance to the Church Building and Hall

We the Congregational Members see a need to Support our Young Men with Mental Illness and also the struggle of employment; there is a strong need of Support. People shared of their journey and the friendship they hold with local Farmers, properties could be used to spend time in the bush with the men around the fire and other activities.

2. STATE UAICC WA WOMEN'S REPRESENTATIVE

The UAICC WA Women Representative will be a voluntary position who will look after the representation of the women in the UAICC WA Regional Committee, seeking women gathering's, across the board whether it be local or interstate. To be guided and supported by the UAICC WA Regional Committee.

3. MAMMAN 'O' MIYA CONGREGATION

At our Local Congregation we have a great Leadership Team with Mitchell Garlett and Cheryl Lawson growing together to share the Ministry and Pastoral Support to the Local Congregation.

There has been a new Fire Pit and BBQ area built on the property and we thank those who have put in the hard work to get this ready to use. We have had gathering with our Youth and Community Members to share the Word, Music, Yarning and Food. Our Youth are our focus as they are our next Leaders; we have a Sunday School running at the Church for the young children and a Youth Group during the week for all

We would like to thank the God for the growth of His Church and for the never ending Support of God's Children to God's Children.
