Suspension of Requirements to meet in person

In view of the current limitations on the ability to meet together in person, the requirement in some ByLaws of Synod and Rules of Presbytery for Commissions or Committees to meet together in person is hereby suspended until otherwise advised.

Please note the current temporary clause which will prevail in each case where this is required.

Any By-Law and/or Rule stating that a number of meetings must be held in person each year is not applicable during the COVID-19 pandemic period.
