

Hello

My name is _____

I am a member of _____

One of the callings of the local church membership is to pray for all those in their area. We do that when we gather on Sunday in our services. In these days of physical distancing, when gatherings are not possible, we are using this way to connect with and pray for those who live in our area, alongside other prayers for our wider community in Western Australia.

Each day I will be praying the prayer below for you and yours, and for those who live across this area.

Thank you Lord that you have placed me here in _____ at this time. I pray particularly for those who live at _____.

This neighbourhood is my home, as it is for those for whom I pray today. I pray that in these days we will take every chance we can, within the safety constraints we face, to care for each other. That the strong will stand for the weak, the young and those older will respect each other, the capable will assist the unable. That the homes in this area will be safe havens of friendship, kindness, and compassion. That no one will go hungry and no one will go unnoticed. In Jesus name I pray. Amen

The Lord's Prayer

Our Father in heaven hallowed be your name

Your kingdom come your will be done on earth as in heaven.

Give us today our daily bread and forgive us our sins as we forgive those who sin against us.

Save us from the time of trial and deliver us from evil for the kingdom, the power, and the glory are yours, now and forever. Amen.

In this time of COVID-19 we might like to pray:

When we aren't sure, God, help us be calm; when information comes from all sides, correct and not, help us to discern; when fear makes it hard to breathe, and anxiety seems to be the order of the day, slow us down, God; help us to reach out with our hearts, when we can't touch with our hands; help us to be socially connected, when we have to be socially distant; help us to love as perfectly as we can, knowing that "perfect love casts out all fear. Amen

A prayer in times of anxiety

God, so much in my life is off-centre. I have so many concerns and cares, and they weigh me down. While I desire to cast my cares upon you, I find I don't really have the words which only adds more anxiety and stress. Please help me learn to cast my cares on you and I learn what it means to rest and trust in you. In Jesus' Name, Amen
