Maaman Ó'Miya

1. We have struggled well with the passing of Our Brother, Father and Friend
2. During Covid-19 we were able to care for Maaman "O" Miya Members, through emails and assistance with food parcels and some reading materials, and lots of prayer.
3. Regular Services began again in July.
4. Cheryl Lawson, Mitchel Garlett and Desmond Lawson have provided music and worship leadership. Cheryl, Mitchel, Desmond and Mervyn Anderson have continued to bring the message.
5. Maintenance is ongoing.
6. Family support for Marilyn Garlett has continued since the passing of Our Brother,
7. Mitchell has taken the leadership role given to him through his Father's passing.
8. Our congregation is looking for God's guidance as to our future ministry? How can we support and encourage others especially Congress.
9. One thing we need to do as a Congregation is to honour the years that
 - a. Rev Sealin Garlett AM (deceased) and Mrs Marilyn Garlett had been in Service to God at Maaman 'O' Miya, Coolbellup. We would like to place a plaque on the church building with the help from UCA.
10. It's just one small way of showing our love and our respect to these special people.

Waroona

1. COVID-19 has slowed down our movements a bit, but Church services is are ongoing every week.
2. The Congregation has been really good, Mrs Jennifer Turner works with the children at Sunday school and it is going really well, Mrs Jennifer Turner now resides in Waroona, which gives her more time in Community and at the Congregation.
3. Ms Daphne helps with bringing the Word on Sunday mornings, a real encouragement for the Youth and Others.
4. Maintenance is still on going and needed at the property, as the building needs more repairs.
5. The Property of which the Church is on is still an ongoing discussion with the Shire.
